Company Profiles

Southeast Construction can create a special section that focuses on your company. It can be inserted into an upcoming issue. If your firm is taking a new direction, celebrating an anniversary or re-positioning itself in the marketplace, a company profile should be an important part of your marketing plan. Talk to your sales representative for details.

Directories

Southeast Construction publishes a Construction Directory that lists the leading firms in the industry in a number of different categories. This resource tool is used throughout the year, so your advertising dollars go further. If there is one issue not to miss, it is the Annual Construction Directory.

Reprints and Copy Sales

Was your firm mentioned prominently in a recent feature story? Make sure that your clients and prospective clients know about your expertise. Get reprints made for your marketing kit and you can extend the life of that third-party endorsement. Or, purchase extra copies of the entire magazine for use in promotional mailings or to send to key customers.
